

Sue's Scraps

Sunbonnet Sue Quilt Club

June 2018

The President's Words for MAY to Inspire a Welcoming Environment in our Club

PEACEMAKER (PIECEMAKER)

As we enter the busiest season for our club, preparing for the Quilt Show, stress may become paramount. It is important for all of us to be compassionate with one another as we share our creativity and feelings. We all need to be fair, respectful, and maintain a sense of humor and playfulness. We need to nurture our relationships and creativity to build confidence and nourish our love of quilting. Therefore, I urge all of us to be Peacemaker/Piecemaker in both senses of the word.

From the Heart and in Your Service, Deb Cooper

FUN WORDS

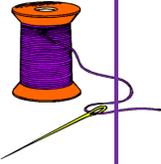

CRAFT = Can't remember a flipping thing
STASH = Special Treasures All Secretly Hidden
SABLE = Stash Accumulation Beyond Life Expectancy
SEX = Stash Enhancing eXcursion (or eXperience)
FART = Fabric Acquisition Road Trip
HIPS = Hundreds of Ideas Piling Skyward
HSY = Haven't Started Yet (pronounced hussy)
PIM = Project in Mind
PIW = Project in Waiting
WHIMM = Works Hidden in My Mind
WIWMI = Wish It Would Make Itself
WWIT = What Was I Thinking

Sue's Sew Day

The 3rd Wednesday of the Month is fast approaching. Bring your UFO, PIG, Mystery Quilt, or Community quilt or your own project to work on. Lunch this month is Taco Salad for \$5.00. Sign up to reserve your lunch. As a reminder there will be no Sue Sew Day in July, we'll all be enjoying the Quilt Show.

A machine embroidery class was held on May 16th at Karen's Quilt Shop. We had a great day. We learned a number of new embroidery techniques. There were door prizes and a lot of laughs. We completed 6 projects in class.

Happy Birthday

Welcome New Members 2018!

Kristy Johnson - Sequim

Margo Bratton – Port Angeles

Linda Wessler – Sequim

It's a Mystery!

Brought to you by Norma Herbold, Doris Hartness, and the Education Committee

Step Six

Welcome back! Are you ready to make another block? Here we go.

Remember when I talked about pressing on flannel and using Best Press back in Step One? It is very important to Press, not Iron, in this step because we will be working with Bias.

The full instructions for this month can be found at

<https://www.sunbonnetsuequiltclub.org/education-programs-and-classes.html>

COMMUNITY QUILTS

- PROGRESS AND PROJECTIONS

It's been a busy year for us all. So far, you have completed 159 quilts. There are two new team members helping us.

Mary Bess is cutting "pre-cuts", sorting fabric and building kits. Barb Richardson is taking over cataloging the completed quilts for us.

Scraps

Your team has delivered 143 heartwarming and bed warming quilts so far. Charitable recipients were Head Start, OMC's comfort program, Serenity House and Peninsula Housing Authority.

Helping our larger community by donating quilts for fund raisers is also part of our activities. Soroptimist of Sequim, Sequim Pioneers, Sequim Prairie Garden Club and Olympic Peninsula Humane Society are four grateful recipients and quilt making or earmarking is underway for other groups who look forward to our generosity.

You will soon meet representatives from the George Washington Society and Sequim Valley Lion's Club. Habitat for Humanity will receive one for their Wine Event as well as three quilts for the family who is completing work on their new home.

For those of you asking advice on what is most needed right now, we would say men's quilts for OMC and both juvenile and infant quilts for Head Start. Serenity is now housing families for longer terms, and they have boys and girls ages 8 to 13 who would love quilts in lap sizes.

Again, we couldn't do this without your commitment, the many eager hands who help, and the club's storage unit that provides so much more than storage by giving us a work and planning space.

Your committee,
Cindy, Carol and Susan

Check Us Out!

The library will hold its first annual book sale **Wednesday, June 6th**, during our regular meeting time.

These are exceptional! Many great books have been donated to the library and will be available to buy at exceptional prices. Bring cash (or checks) and shop early! The sale starts at 9:00 and concludes at 11:30.

Remember, Choose to Use the Library!

Your librarians,

Nancy and Vicki

Finished Projects from Camp Sew-a-Lot

New members' reflection after Kamp Sew A Lot

I learned so much from other members. Little and big things: How to correct stitching around HSTs, fancy pointed edging and just general fellowship and visiting with members. I was so energized I went home and totally cleaned up and rearranged my sewing room! I used graph paper and cut out forms to help rearrange the furniture, and you can bet those cut outs were precise!
