

# Art Quilt Sues Minutes for January 11, 2017

Marijane called the meeting to order at 1:00 p.m. She reminded everyone who wished to donate \$1 for Karen's continuing use of her classroom to do so.

## ITEMS DISCUSSED:

- Mary circulated a sign-up sheet for demos during the July quilt show.
  
- Annual fee: Group agreed to table any request for additional funds indefinitely because we have \$1000 plus available to us from the sale of the Secret Photo quilt. This year we have 3 collaborative quilts that will be for sale. If none are sold, we will then revisit the annual fee issue.
  
- Regarding how we can best use our \$1000 mentioned above: At the February meeting, Marilyn will bring a list of teachers confirmed for the next 2 - 3 years. If none on the list are agreed upon by the group, we will submit names of our own to which that money can be applied.
  
- Seri requested assistance hosting guest teachers in the fall. Each teacher requires transportation, housing, etc, while they are here. A team of two or three volunteers for each guest would share the responsibilities. Contact Marilyn if you want to help your club.
  
- The future of the Holiday Party will be revisited in September.
  
- A reminder: When it comes to bad weather, we adhere to the same standard as the Bonnets -the Sequim School District. If they don't open, neither do we.
  
- Scheduled Presentations for the coming year
  - February—Anne Davies will demonstrate landscape strip quilting.
  - March—Peggy St. George will do a free motion demo.
  - April, May, or August are still open. June will be final plans for the quilt show; July is the show.

Many, many thanks to Marilyn for bringing in all her "creative stuff" to share with us. THANKS!!!
