

## Art Sues Business Meeting November 8, 2017

Voluntary \$1 Donation for KQS was collected at beginning of meeting.  
Twenty-three members present.

### Discussion Topics

Marca Davies agreed to be the substitute Scribe for Mary Liebsch who was not in attendance, with the caveat that she is not good at taking minutes and they will be "Haiku-ish."

We were all reminded that registration for art quilts will be due at the same time as the regular quilt show registration. As with the regular registration, pieces do not need to be completed but need to be done enough for a photograph. Both Sherry and Sue are on the design committee and they will design the Art Sue booth as well. At the quilt show, art quilts will be turned in with the other quilts. Sue and Mary Ann agreed to coordinate the demonstrations.

Brief explanations of next year's Themed Projects that weren't covered at October meeting- Marca Davies briefly explained both the Picasso inspired and "Good, Bad or Ugly projects; Sherry reiterated some information that was provided last meeting for the two projects she is coordinating; Sue distributed some of the patterns for the fractured photo project; and Marilyn distributed the remaining bookshelf packets.

### Reminder of AQS Christmas Party

### Questions/Announcements

Catherine presented information and solicited requests for the September 2019 workshop by collage artist, Susan Carlson. The group decided that the 4 day 'design your own' workshop would be the most appropriate. Sue will check with the Grange about location. Catherine will host the teacher. She will provide the packet of information to the education coordinator for follow-up.

Sue discussed the 2019 Raffle quilt and Carolyn showed the beautiful heron block she has created for it.

Show n'Tell- none, as the meeting was long enough
