

Carolyn O'Neill's Quicky Dicky Stocking Construction

- Using the stocking pattern/template:
 - Cut 2 Linings – ***right sides together***
 - Cut 1 Back and 1 Front be careful that the toes go in the same direction
- Quilt the back and front panels --- using batting only.
- Layer all 4 pieces in the following order: 2 linings placed right sides together, Front – **right side up**; and Back **right side down** (wrong side up)
- Sew all four pieces together around the edge with ¼ inch seam, ***using a walking foot***. DO NOT stitch along the tops of the stockings.
- Turn, reaching between the stoking front and back; then open between the lining layers
- Add the hanging loop on the front left corner and finish top with binding or a cuff.
