

# CHARMING

Community quilt pattern in one size

Comfort quilt size – 36 by 45 inches

## Fabric:

40 charm squares either from a pre-purchased charm pack or cut from fabric. If cut from yardage, you will need about one yard total of various fabrics. It is best to use a variety of fabrics for the squares.

1-1/4 yards for background and binding.

## Cutting:

If not using precut charms, cut five inch squares. The yardage estimated above should allow you to cut at least five WOF strips, yielding 8 squares per strips.

From background cut 5 strips five inches wide. Subcut into twenty 5 by 9-1/2 inch rectangles. For binding, cut 5 strips at 2-1/4 inches wide.

## Assembly:

The quilt top has ten rows as follows:

Row 1: Rectangle, two squares, rectangle, two squares

Row 2: One square, rectangle, two squares, rectangle, one square
