

HIGH RISE

37" x 50"

Fabric requirements:

- 1 Charm Pack
or 35 assorted 5" x 5" squares
- 1 2/3 yards for sashing
- 1/2 yard for binding
- 1 2/3 yards backing

Directions:

Cut 5 5" strips x WoF*
sub-cut 42 2 3/4" x 5" for vertical sashes

Cut 8 2 3/4" strips x WoF for horizontal
sashes.

Lay out the 35 squares, 5 X 7,
in a pleasing balance of color and value

Join the blocks and sashes in horizontal
rows, starting and ending with sashing.

At this point, measure across the rows
to determine the average width and trim
all of the horizontal sashes to that
average measurement.

Add a sash above and below each of
the 7 pieced rows, easing to fit if necessary.

*All the sashing will finish 2 1/4",
exactly half of the 4 1/2" finished
square, allowing for easy diagonal
walking foot quilting as shown here.
