

# SBSQC Community Quilts January 2016

Finished size: 36" x 48"

You will need 12 pairs of coordinating/contrasting fabrics (a solid and a print would work well). From each fabric you will need a 4 1/2" x 15" strip and a 2 1/2" x 15" strip. This will give you 12 different blocks.

24 fat 1/8's will yield 12 different blocks; 12 fat 1/4's will give you 2 each of 6 different blocks. You will need 1 3/4 yard for backing. If you decide to add borders you will need to adjust the amount of backing fabric accordingly.

## STEP #1

4 1/2"

2 1/2"

2 1/2"

4 1/2"

Take your fabric pairs and sew them into 12 strip sets as shown.

**Press all seams in the same direction!**

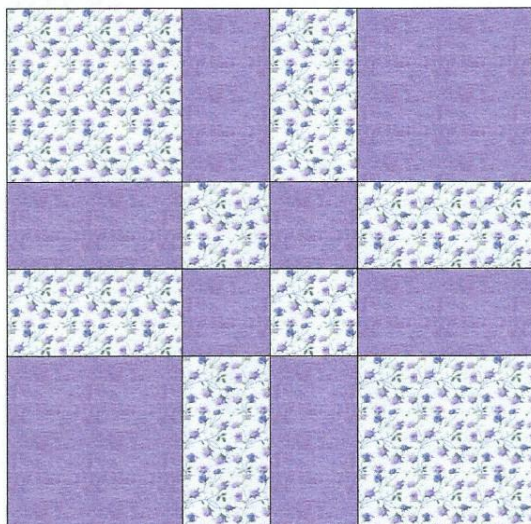

**STEP #2**

Cut each strip set into 4 segment as shown.

Flip the segments as shown.

**STEP #3**

Sew the segments together. Make 12 blocks (each block should measure 6 1/2" square)

Arrange blocks in 4 rows of 3 and sew quilt top together.
