

Seri: Could you please send this to our members ASAP. Thank you

To all members that are going to work on the **MAY BOM**. I MADE A MISTAKE IN THE MEASUREMENT FOR THE “POINTY WEDGE and WEDGE INSERT”. I am so sorry about this, especially to those that have already started making this block.

The “**POINTY WEDGE**” SHOULD BE **5 1/4” tall** NOT 5 1/2”. The “**WEDGE INSERT** SHOULD BE **4 1/4” tall** NOT 4 1/2”.

ALL OTHER MEASUREMENT REMAIN THE SAME. PLEASE CORRECT YOUR TEMPLATES TO THE ABOVE MEASUREMENTS OR THEY WILL NOT FIT ONTO THE 12 1/2” BLOCKS.

BELOW IS A PHOTO OF THE TEMPLATES WITH THE CORRECT MEASUREMENTS.

AGAIN, SINCERE APOLOGIES.

Glad
