Assembly:

Sew a 2-1/2" X 5" rectangle (same color) to opposite sides of a 5" center square.

Sew a 2-1/2" X 9" rectangle (same color) to each 9" side of block.

Turn block and sew a 2-1/2" X 9" rectangle (same color) to each of two remaining 9" sides.

Sew a 2-1/2" X 13" rectangle (same color) to each 13" side of block.

Square up block to 13" X 13". Make 12 blocks (for OMC/Headstart) or 20 blocks (for Lap Quilt).

Assemble into 4 rows of 3 blocks each (OMC/Headstart), or 5 rows of 4 blocks each (Lap Quilt), arranging so that the 2-1/2" X 13" strips are along the top/bottom for the first block, alternating with the 2-1/2" X 13" strips along the sides for the next block, etc.

TIP: Before sewing rows together, press intersecting seams in opposite directions, so that the seams can lock together.
