

Simple Bargello Quilt

36" x 48"

Yardage:

Quilt Top: Twelve assorted 4 ½" X WOF strips (Strips must be 41" in length or longer)

Binding: 3/8 yard cut into 5 - 2 ½" x WOF strips

Quilt Assembly:

1. Arrange strips in whichever order you prefer and sew all strips together lengthwise along the WOF.
2. Next, sew the top strip to the bottom strip to create a "tube".
3. Keeping the right sides of the fabrics facing each other, lay your tube flat and cut the tube into 4 ½" strips. You should now have nine 4 ½" wide tubes.
4. From one tube, choose a seam to "un-sew" or "rip out". Choose the seam above your favorite design as this will be the start of the top left-hand side of your quilt and will run down the middle of your quilt.
5. From the next tube, "un-sew" the seam between the bottom two fabrics in the first column.
6. Continue in this manner for each remaining tube. Refer to the diagram as needed to get the desired layout pattern.
7. Once you have all columns laid out, press alternating columns in opposite directions and sew them together.
